RE: **Pennsylvania Unified Certification Program**
DBE Certification Continued Eligibility

DBE Certification #10950
Anniversary Date - Annually, on: November 18

Attention: Susan Ackenheil-Snow, President

The Pennsylvania Department of Transportation (PennDOT), a certifying participant in the Pennsylvania Unified Certification Program (PA UCP), has reviewed your Annual Affidavit as a Disadvantaged Business Enterprise (DBE) and is pleased to inform you that your firm appears to meet the requirements established by the United States Department of Transportation in Title 49, Part 26 of the Code of Federal Regulations. Consequently, your firm can continue as a DBE to participate in the program in the following classification(s) only:

NAICS Code 541330 "Engineering Services"
NAICS Code 541380 "Testing Laboratories"
NAICS Code 541512 "Computer Systems Design Services"
NAICS Code 237310 "Highway, Street, and Bridge Construction"

DBE certification continues from the date of this letter, but is contingent on the firm renewing its eligibility annually with our office. You will be notified in advance of your obligation to provide to our office a copy of your renewal documents. These documents are also available online at www.paucp.com. However, the responsibility to assure continued certification is yours. Failure to continue your eligibility will result in immediate action to decertify the firm.

As long as your firm is listed in the PA UCP DBE Directory at www.paucp.com, you are DBE certified in Pennsylvania. In order to maintain an accurate Directory, we are requesting that you make the PA UCP aware of any changes in your address, telephone number or specific geographical area where your firm is willing to perform work. If you wish to expand your status to include another type of business, you must contact the PA UCP for reevaluation prior to undertaking any projects as a DBE in the expanded area.
